

# ***Top Gear***

## ***The Ford Mustang***

High styled, low priced with a bucket full of options the Mustang, both hard top and convertible became the car of the decade  
it's first full season Ford sold over a million Mustangs a record which has never been broken and probably won't be

***Cost : \$ 2,615.00***

## ***Ford Galaxie 500***

*Redesigned to give a more flowing look Galaxie came with a big block V-8 but the real surprise was the smaller Fairlane with the same V-8*

*Thunderbird gets a four door model for the first time this year*

***Cost: \$2,750.00***
