MUST et MUSTN'T

en classe

sur la route

you must sit up straight.

pupils must have a correct attitude.

you must put your papers in the bin.

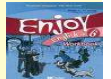

you mustn't listen to music in class.

pupils mustn't cheat during tests.

you mustn't forget your workbooks.

you must turn left!

you must stop!

you must go straight on.

you mustn't park here!

you mustn't drive over 30.

you mustn't turn right.
