

The party

Tamara : "Ok, so Luis, what are you bringing ?"
Luis : "Well, I'm bringing a big bottle of coke and a big packet of crisps."
Tamara: "Good"
Joseph: " And what can you do? When are you free?"
Luis: " Well, I'm busy on Friday and on Saturday? So I can't help before the party but I can bring my camera and take pictures."
Joseph: "Excellent! What about you, Natalya? What are you bringing ?"
Natalya: "Well, I'm bringing sweets, chocolate bars and 2 bottles of lemonade, is that alright?"
Tamara: "That's fine. When are you free? What can you do to help ?"
Natalya: "Well, I'm free on Saturday morning so I can put up the lights and decorations..."
Tamara: "Ok, you Molly. What are you bringing ?"
Molly: "I'm bringing cheese and crackers."
Joseph: " Alright; when are you free to help ?"
Molly: " Actually, I am free on Sunday so I can help clean up."

Now recap in your notebook.

What are they bringing ? When are they free ? What can they do to help ?
