

Volume of a cube

1) I have heard 14 mathematical words in this video :

<http://www.youtube.com/watch?v=YjGVFPtNTHw>

And you? Write them down there :

.....

.....

.....

.....

.....

2) Lets watch again the video together, stopping and explaining each mathematical word. Write them and try to pronounce them correctly.

.....

.....

.....

.....

.....

3) From now, you might be able to use these mathematical words, or even to discover a few more doing these exercises :
