

G1 - People on the Earth

Lesson 1 : Do you know the Earth ?

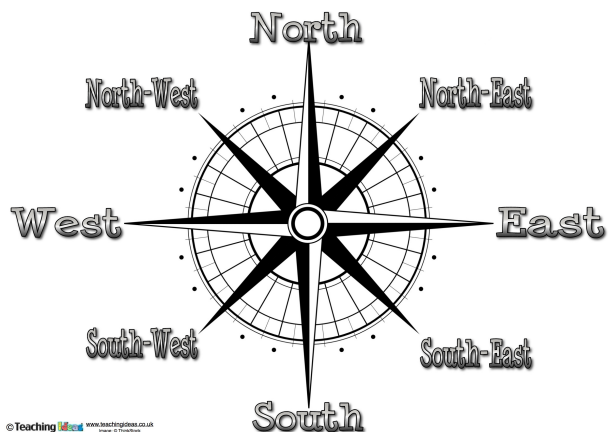

Compass rose and directions

Example sentence :

I am in Europe, I go to Africa : I go South.

→ Africa is South of Europe.

Lesson 2 : Where are people on earth ?

VOCA

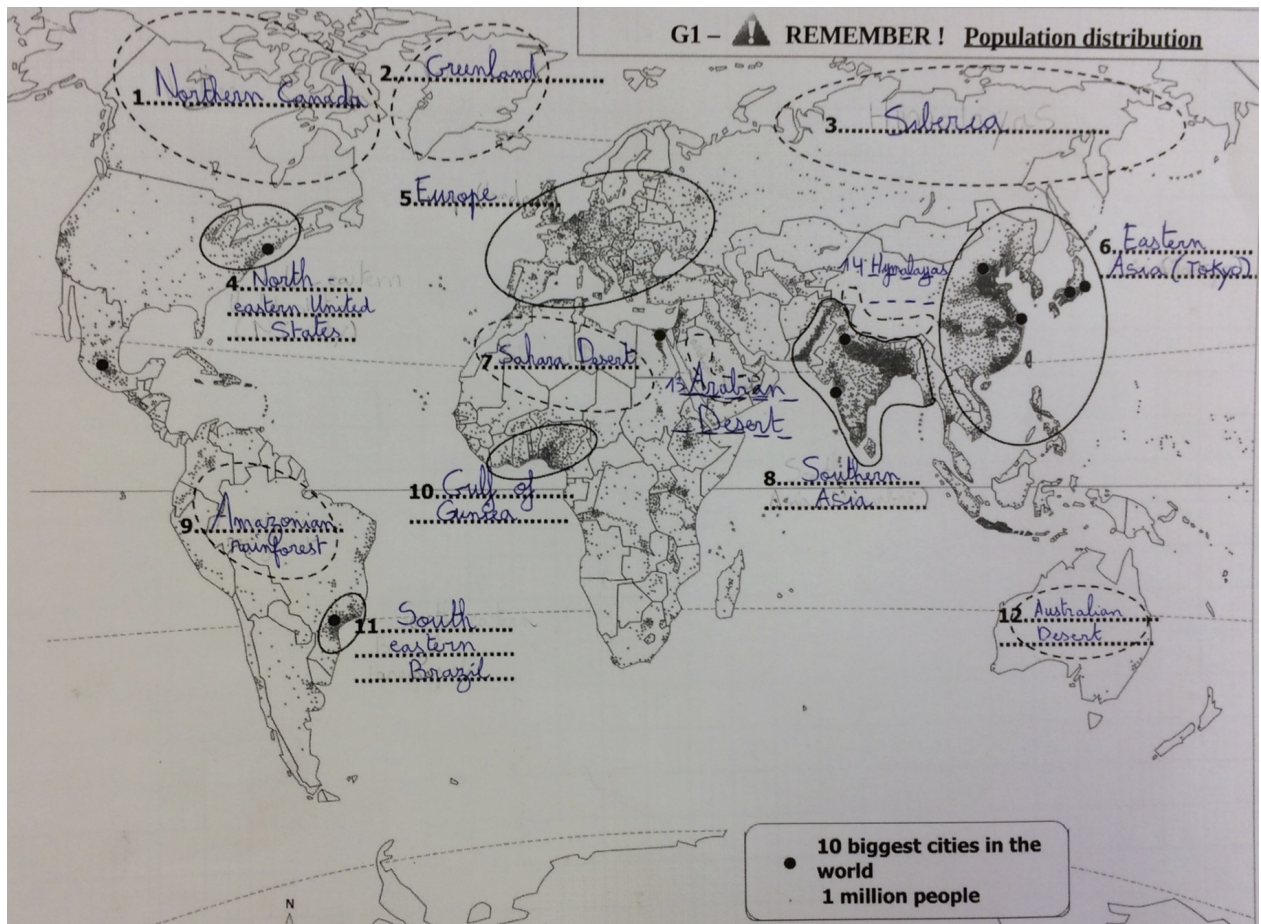

WORDS :

dots : points

Country (pluriel : countries) ≠ continent

The **key** (or legend) : it explains what is on the map.

City (pluriel : cities) : villes

In the key/legend :

many dots : many people

few dots : few people

no dots : almost no people

You have to know the map of population distribution (names by heart!) :

14 Names of places on the map :

- Places with many people : eastern Asia ; Southern Asia, Europe, Gulf of Guinea, North eastern United States, South eastern Brazil.
- Places with almost no people : Northern Canada, Greenland, Siberia, Sahara Desert, Arabian Desert, Himalaya, Amazonian Rainforest, Australian Desert.

Conclusion : On Earth, many people live in big cities and near oceans.
