

## *My friend was...*

My friend was a Princess,  
Bella looked so beautiful in her a dress made of tinsels  
She was so slim and tall  
Bella met a gentleman on the web  
His name was Romeo  
Romeo sent an email to Bella  
They chatted for two weeks  
One day, Bella wanted to meet Romeo  
He accepted her invitation  
The magic appointment eventually took place  
Bella thought Romeo was so handsome !  
She was so impressed !

Unfortunately a witch arrived !  
She transformed Romeo into a frog !!!  
Bella wept so much that her tears became  
lakes and rivers  
with green and blue drops !

They never met and they lived apart !
