

Lady Lettuce

One day, Lady Lettuce walked in the garden and met Sir Tomato who told him to go and see the Keepers of the Garden: Cauliflower and Potato. She saw lots of Fruit Friends and Vegetables. There was Large Cucumber, Long Carrot, Mellow Melon, Strong Strawberry, Lemon Zest and Scattered Peas who were singing together. Then she asked where His Majesty Lord Mushroom was .

They said: " We are deeply sorry for you, actually, He died yesterday, He got eaten by Lady Slug, Poor Gentleman, He was such a sweet Veg!" Lady Lettuce was deeply affected

On her way back home she was also eaten by Lady Slug!
