

Lionel Messi

Barcelona numéro 10

As a lover of football, I am going to talk about Lionel Messi, the famous football player.

Leo is his nickname. He was born on June 1987 in Argentina. He is both Argentinian and Spanish. He comes from a working class family. His father was a worker and his mother was a cleaning woman. He has two brothers and one sister. Leo is not very tall. He has brown hair and brown eyes. He lives with Antonella Rocuzzo and they have two children.

Messi began football at a young age. He moved to Barcelona because he was a wonderful soccer player.

He is one of the best football players in the world. He received five Golden Balls. He scored eight hundred and thirty-one goals during his career and played nine hundred and thirty-three matches.

I admire Lionel Messi because he always find time to do charity work. He started the Leo Messi Foundation that help sick children.

I like his fair play games. All his colleagues appreciate Leo who is a humble man even if he was elected the best player in the world.

I would like to meet him and see him playing football in Barcelona.
