

**ENGLISH PRESENTATION**

**Presenting a document to the class [about 10 minutes]**

→ Choose a document that you find interesting for various reasons.

You will tell the class your reasons for choosing that document.

→ Prepare an analysis to help the class understand what the document is about.

→ Bring copies of the document for everyone. If its a picture, there will be a computer at your disposal (with internet access) so remember to bring your USB key.

1/ Introduction

Give the title of the document, the source, the author, the dates and any relevant detail.

2/ Give the class the text or the lyrics depending on the type of document.

3/ Show the document on the screen / play the song.

4/ Analyse the document by explaining the different levels of reading and what it refers to. If it is a song, comment on the music and its role and on the interpretation by the singer. Make sure you mention the context in which the document was released. Explain the vocabulary in English if necessary.

5/ Explain why you chose that document. You may use other material to illustrate or prove a point.

6/ The document may be a song, a poem, an article, a picture, a video, a recording... and it must be related to the the English-speaking world.
