0:01

lol elsewhere a

0:03

okay something cool for it which pawn and Tommy wall floor had been together

0:07

for nearly nine years and married for 20

0:10

22 months ago their family doubled in size

0:13

with your rival twins even in Austin sons born via surrogate

0:17

a couple has noticed something new in entertainment

0:20

that be like I wanna dance for my baby I think everybody likes to see

0:24

a story on television that they can relate to von in Walpole TV shows like

0:29

modern family

0:31

believe and the new film The Kids Are Alright represent a growing trend in

0:35

Hollywood story lines

0:37

gay parents your mom and I sense that there's some other stuff going on in

0:41

your life we just want to be let in

0:43

are you having relationship with some

0:46

I think the entertainment world reflect popular culture I think that that's

0:49

what's happening in the world so what you're seeing in television and film

0:53

is what's going on in our society at large so great thanks not

0:56

everyone thinks it's a good thing including dan Gainor from the culture

1:00

and media Institute

1:01

with says its mission in part is to preserve and help restore America's

1:05

culture

1:06

character traditional values and morals against the assault at the liberal media

1:11

elite

1:11

it's bad for society to promote homosexuals

1:15

prickly homosexual lifestyle in gay marriage and that's what this is doing

1:19

for gainer traditional values require one male and one female parent

1:24

hollywood has done a great deal work causing acceptance in american culture

1:28

from sexuality it's for that very same reason that glad a gate advocacy group

1:33

has lauded such programming

1:35  
telling CNN poll stories like bad of Modern Family's mitchell and Cameron are  
1:40  
shedding new light  
1:41  
on the hundreds of thousands of children being raised by loving  
1:45  
and committed gay parents and the unfair natureza bans on adoption by gay and  
1:49  
lesbian couples  
1:50  
that currently exist in Florida you top and Mississippi  
1:54  
again what they're trying to do is normal I something that  
1:57  
a lot of people certainly in those states don't want to normalize  
2:00  
therein lies the debate for many is gay parenting normal  
2:05  
do you think your normal as far as parenting I think we're completely  
2:08  
normal we get from getting rehired we have great moments like some great  
2:12
