

Alwena's bedroom

Her bedroom is very small and a bit messy but it's pretty. 

There's a poster of Wales above the bed because she's from Wales, she's Welsh.

There are many cups and medals on the shelf because she really enjoys swimming in competitions.

There's a pair of roller-skates next to the bed because she loves skating in the park.

There are lots of photos of her friends because she loves going to birthday parties.
