He makes me gasp. His partner makes me scream. But I love it anyways. After my sister died, I took a job at her husband's firm to help out. It was just a temporary thing. They were so buried with work that I figured the temp job would be just that. Something temporary. But then Brian told me to bend over. He's my sister's ex, sure. But he's also the boss. How can I say no? And when he and his business partner, Jed, invite me to their office for an after-hours chat, something tells me that things will start getting dirty. Something tells me that these two men have a lesson planned for me, where I'll be doing everything and anything they want, tied up and bent over, just to earn my paycheck. And when this temp job is done, the on the job training won't be over. Because I'll be doubled up, crawling, and begging them for more. But the question is ... will I ever get enough? Hey Readers -- This is a steamy novella with M/M, MMF and MFM action that will make your panties melt right off. HEA guaranteed Xoxo, Cassie
