Running from his past, Travis Simms is ready to settle down. What better place to forget all he left behind than the quiet little Montana town of Lolo Hot Springs? His goal is clear—build a hotel and his own destiny without complications—until one of the town's most troublesome women captures his attention. Dusty Larson is hell-bent on independence, helping her sister run the Triple D Ranch. She can do anything a man can, and do it better, so she certainly doesn't need one in her life. The only problem is she seems to attract bad luck and danger...and Travis. Can he tame her wild ways and keep his bachelor status intact—or does he risk losing his heart?
