

Great Britain & Ireland

Great Britain or The United Kingdom (UK) is made up of **Scotland, England, Wales and Northern Ireland.**

England is the largest country in Great Britain. England is split into different regions called 'counties'. The British National anthem can be found on page 81.

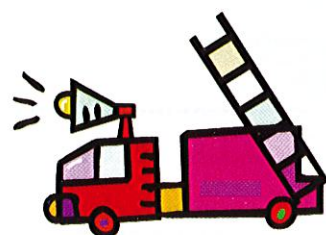

London is the capital of England and lies in the south east. It is very popular with tourists who come to see Buckingham Palace, the home of the Royal Family, Big Ben and many other sights.

Here are some folksongs about London.

Song...London's Burning!

London's burning! London's burning!
Call the engines! Call the engines!
Fire! Fire! Fire! Fire!
Pour on water! Pour on water!

Rhyme...London Bridge

London Bridge is falling down,
Falling down, falling down!
London Bridge is falling down!
My fair lady!

Scotland lies to the *north* of England. It has many islands. One famous island in the *north west* of Scotland is called the **Isle of Skye**. (See page 82 for a song about it). In the Highlands of Scotland a language called Gaelic is spoken. The kilt is the national costume and whisky is distilled there. The Scots sing a famous song called 'Oh Flower of Scotland' at sporting events - see page 81. **Edinburgh** is the capital of Scotland and lies in the *south east* of Scotland. The Edinburgh Festival is a famous music and drama event held in August every year.

Wales lies to the *west* of England. Welsh is spoken in Wales. Go to page 81 to see their National Anthem in English and in Welsh. **Cardiff** is the capital of Wales and lies in the *south* of Wales. The Welsh people have a reputation for their wonderful singing. Rugby is their national sport.

Ireland is an island to the *west* of Wales. It is called the **Emerald Isle** because it is so green and beautiful. **Belfast** is the capital of **Northern Ireland** and is in the *north east* of Ireland. **Dublin** is the capital of **The Republic of Ireland**, and is in the *east* of Ireland. Dublin is a very vibrant city with many bars serving Guinness (see page 42).

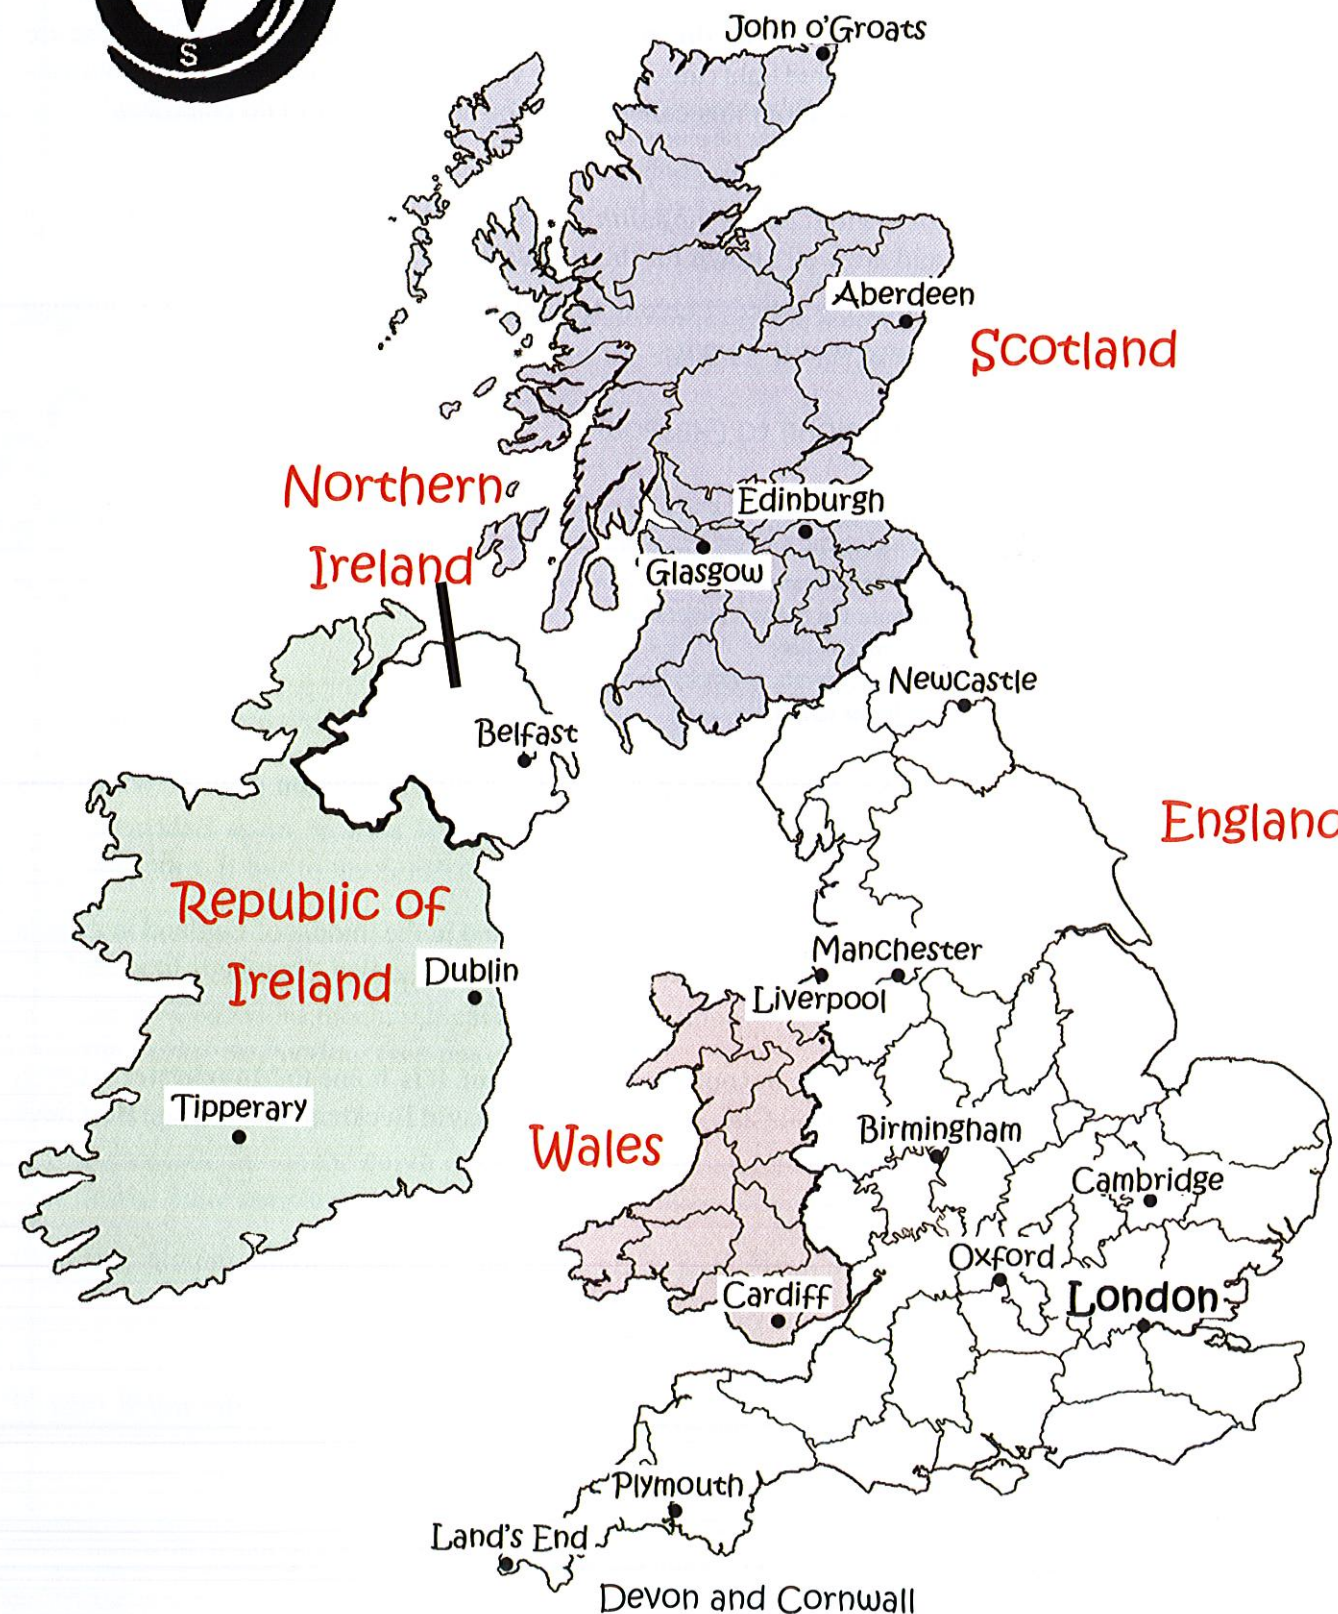

Rap East or West?

What's the best, East or West? (x2) North East. North West. North West is the best!

Song... Jingle Bells

Jingle bells, jingle bells
Jingle all the way,
Oh, what fun it is to ride
On a one horse open sleigh.
Oh, jingle bells, jingle bells
Jingle all the way,
Oh, what fun it is to ride
On a one horse open sleigh!

A Christmas turkey lunch!
Outside snowflakes fall.
Baubles on the tree.
Snowmen and snowballs.
Stockings by the fire.
Presents by the tree.
Christmas pudding! Mistletoe!
Such fun for you and me!

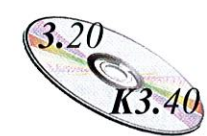

Song... We wish you a Merry Christmas

We wish you a Merry Christmas,
We wish you a Merry Christmas,
We wish you a Merry Christmas
and a Happy New Year!

Glad tidings we bring,
To you and your kin,
We wish you a Merry Christmas
and a Happy New Year!

Oh, bring us a figgy pudding,
Oh, bring us a figgy pudding,
Oh, bring us a figgy pudding
and a cup of good cheer.

Glad tidings we bring,
To you and your kin,
We wish you a Merry Christmas

With a chimney tall.

Here is a table

Big enough for two.

Here's a chair for me

And a chair for you!

Poem by A.A. Milne

Half way down the stairs,

Is a stair where I sit.

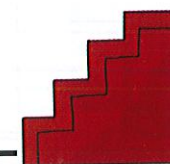

There isn't any another stair quite like it!

I'm not at the bottom.

I'm not at the top.

So this is the stair,

Where I always stop!
