

NUMBERS UP TO 100

Activity 1 → Listen and repeat.

10 ten - 20 twenty - 30 thirty - 40 forty - 50 fifty
60 sixty - 70 seventy - 80 eighty - 90 ninety - 100 a hundred

Activity 2 → Fill in the gaps with words only.

$10 \div 10 = \text{twenty}$

$40 \div \text{fifty} = 90$

$50 - 20 = \text{thirty}$

$\text{seventy} - 60 = 10$

$\text{ten} \times 10 = 100$

$30 \times 3 = \text{thirty}$

$80 \div \text{forty} = 2$

$\text{eighty} \div 4 = 20$

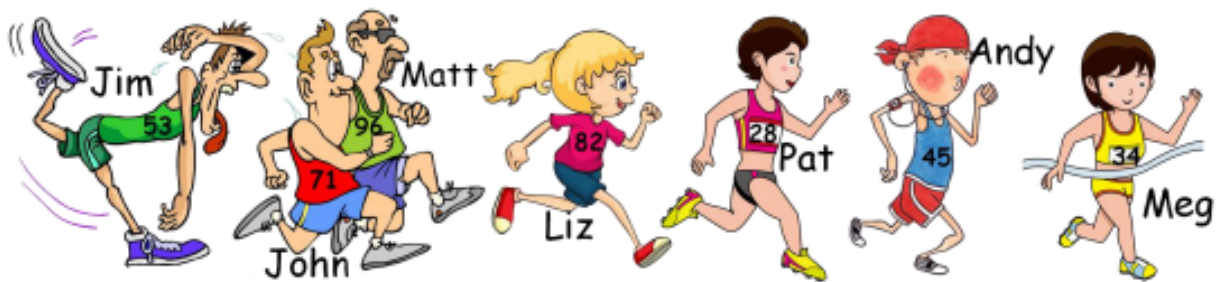

$30 \div \text{one hundred} = 70 = 60$

$90 - \text{sixty} \div 20 = 30$

Activity 3 → Write the numbers. Look at the example first!

τωεντλ-τρεις twenty-three (23)	τριαντα-επτα thirty-seven (37)	τεσσαρακαι-εξι sixty-four (64)	ενενητα-τεσσαρα ninety-four (94)
εφτακαι-επτα fifty-seven (57)	ογδοηκαι-εφτα forty-eight (48)	ενενητα-εννις seventy-nine (79)	εννιςκαι-ογδοη eighty-nine (89)

Activity 4 → Look at their T-shirts and write their numbers. *Jim* → *fifty-three*

John → seventy-one

Pat → twenty-eight

Matt → ninety-six

Andy → forty-five

Liz → eighty-two

Meg → thirty-four
