

LISTENING EXERCISE

Listen to the weather forecast and tick the words you hear:

7 8 15 17 18 20 60 70 80
west south minimum today tomorrow
east extremely maximum spring showers very
north nearly yesterday about quite around

Listen again and draw the symbols on the map:

Listen again and match:

- In the south, the weather will be windy.
- In the west, the weather will be cloudy and snowy.
- In the east, the weather will be sunny.
- In the north, the weather will be rainy.

Now fill in the sentences:

In the south, it will be sunny and the temperature _____

In the west, the weather will be dry but windy _____

In the east, it will be rainy all day tomorrow and _____

In the north of the country, it will be very cold and _____
