

 My name is the 3rd day of the week. My father is Gomez and my mother is Morticia. They are husband and wife because they're married. I'm their daughter and I have a brother named Pugsley. He is so stupid! Gomez has a brother (but no sister). His name is Uncle Fester. We don't have an aunt because Uncle Fester is not married. I am his niece and Pugsley is his nephew.
 I have a grandmother, Grandma. She loves her two sons. My father has a rich cousin, Cousin Itt, who has a lot of hair and likes hats.
 Our house is very big, so we have a butler, Lurch. He is gigantic! We also live with a walking hand named Thing. It helps Lurch in our house. Finally, we have a pet, Kitty, a very aggressive lion. Our family is really crazy!
