

REORGANIZATION, COMFORT & SAFETY

The objective is to reorganize the whole of the secondary school. Answering all the security standards, entirely cabled and equipped with new technologies, the future School residence will also answer requirements of comfort, esthetics and sustainable development.

- ⇒ Cost of the operation : 18 millions euros including all taxes
- ⇒ Control of work : Departmental council of the department of Aube
- ⇒ Financing : Departmental council the department of Aube 70 % , Champagne-Ardenne : 30%.
- ⇒ Control of work : Daniel Regnault— Nogent Workshop of Architecture and town planning.
