

I. CONCESSION : Corrigé

Whatever effort they make they are bound to fail.

No matter what/whatever Mrs Turton **may say**, the two ladies are determined to treat Indians as their equals.

However /No matter how different Indian culture is, Miss Quested does her best to understand it.

Whatever their efforts, they won't manage to bridge the gulf between East and West

In spite of / despite Mrs Turton's warnings, Mrs Moore and Miss Quested are welcoming and friendly.

Although she knew it was her duty to welcome her Indian guests, Mrs Turton went on grumbling (maugréer

She regards all Indians as inferiors **regardless of** their social rank.

Try as they may, they will never be able to establish genuine relationships with the Indian ladies.

However westernized the Indian ladies may be, Mrs Turton will not change her opinion about them.

II. CONDITIONNEL PASSE : Make sentences .Cottigé.

ex: **Had** the British **been** less contemptuous and arrogant, many bloodsheds **would/might have been** avoided.(

ex : **If** the British **had been** less contemptuous and arrogant, the gap **could have been** bridged.(passive)

A passage would have been possible, **had** British people **been** less aloof.

A passage would have been possible **if** British people **had been** less aloof.

If there **had been** less injustice in his country, Gandhi **wouldn't have organized** the Salt March.

Had there been less injustice in his country, Gandhi wouldn't have organized a Salt March.

Had British colonizers been more open-minded, Indian people would have been less vindictive(resentful)

If their British colonizers had been more open-minded, Indian people would have been less vindictive.

Had Indians been able to elect representatives they **might have claimed** independence later.

If Indians had been able to elect representatives they **might have claimed** independence later.

Had I been a British journalist in India in those days, **I would have denounced** the violent repression against Gandhi's movement.

If I had been a British journalist in India in those days, **I would have denounced** the violent repression against Gandhi's movement.

Had Gandhi **not advocated** peaceful resistance, **there would have been** many more casualties in the fight for independence/ **If Gandhi had not advocated** peaceful resistance, there would have been many more casualties in the fight for independence.

Had Mrs Turton behaved differently, the Indian ladies would not have laughed at her.(film).If Mrs Turton had behaved.....(meme fin)
