

Activity 8

Video : This chocolate bar may contain deforestation

- 1) Watch the video on the blog : from the beginning to 1.38 min (the end is too difficult and useless for us)

Take notes (numbers/ figures/ key words/ dates...)

- 2) Organize your notes : Use framindmap (look at the tutorial on the blog)

- 3) Now watch the video again and make the recap :

This document is a _____.

It is about _____

Presentation of palm oil : (*say it with complete sentences and with your own words (vos propres mots)*) :

It represents _____ of all the package goods in the supermarket shelves.

Present the problem for the rainforest (*say it with complete sentences and with your own words (vos propres mots)*)

The palm oil : where can we find it?

Between 2000 and 2012 what happened?

Who are the victims of deforestation? Why? How?

What is the impact on Global Climate?

4) Give your opinion about what you learn in the video (3-4 lines)
