

Final Task : creating an advert : a campaign to protect environment

For this work, you have to make a poem :

Theme : environment

Choose one aspect of the environment cause and develop it in your poem. Your poem must have a minimum of 6 verse (6 strophes) of 4 lines.

There must have rhymes.

Help yourself with the 2 videos on the blog.

You will have to choose the way you prefer to create your document :

- A poster with pictures and the poem
- A genially with pictures and the poem
