

Express one's opinion

Read the following text : Here are some opinions about stereotypes

Simon : “well, in my opinion, most of the prejudice people have are racist!”

Jake : “To my mind a lot of stereotypes refer to racism or sexism!

Paula : I **don't agree** with you, Jake. Most of the people who mention stereotypes are not racist. But I agree it is quite a difficult issue”

Demy : “In my view, people should stop to spread all these stupid clichés. I guess they do so because they like to generalize things.”

Simon :” I suppose that it's true, yes.”

Britney : “I think Demy is right.”

Demy : “I believe it's right too. But they should think of the consequences of their speeches before speaking!”

Look at the groups of words that are underlined and classify them into the chart :

Dire ce qu'on pense	
Expressions exprimant l'opinion	
Dire que l'on est d'accord ou pas d'accord	
Dire que l'on imagine quelque chose (on n'en est pas sûr)
