Jess has lost her beloved job because of one person from the new owner's company—the store that was so important to her has been destroyed on the recommendation of someone sitting behind a desk! To make matters worse, her boyfriend suddenly dumps her, making her feel downright miserable. With no other choice, she starts helping her father out at his chauffeur service, and then one day she is given a great chance—three days of work, one thousand dollars a day. And the client is none other than the CEO of the company that got her fired! Might she be able to convince him to let her go back to her old job? He doesn't seem like a very agreeable person...but she must try.
