Our Winter's Tale

Once upon a time,

in the Land of Snows and Ice there was a town called Winter.

It was such a strange city !

There were lots of snow-men and snow-women !

Fir-trees were speaking and eating.

The Patroness was called *Queen of Icy Snow !*

She was **always** wearing a dress made out of snow!

But one day, one Snow-man wanted to **kill** her

because he was **jealous** !

The **Q u e e n** **s c r e a m e d**

and a farmer saved her.

And guess what ?

The Queen fell in love with him !

They got married and had **one thousand kids !**
