

the street artist who expresses the world's issues.

Who's banksy ?

Banksy is a brilliant British artist, Born in Bristol, England, in the early 1970s, he began his career as a graffiti artist . He works with stenciled images of rats and monkeys, which soon became his signature style. Banksy's work quickly got famous for its interesting subjects on contemporary society, politics, and culture.

Banksy and his art ?

Banksy's art has been exhibited in galleries and museums around the world, but his true fame comes from his public installations. He has created a lot of murals, installations, and sculptures around the world, especially in unexpected places . Some of his most famous works include the mural of a girl with a balloon, which was painted on a wall in London and later auctioned for millions of dollars, and the installation of a Guantanamo Bay detainee in Disneyland.

Banksy's Identity ?

Banksy's identity is unknown, he has been captivating the art world since the late 1990s with his provoking works . Over the years, many people have claimed to know who Banksy is, but his true identity remains a secret.

Despite his anonymity, Banksy's impact on the art world cannot be exaggerated. His works have inspired a lot of artists and he started important conversations about social and political issues.

His famous prank ?

One of Banksy's most famous pranks was his 2018 stunt at an auction house in London. After one of his pieces, "Girl with Balloon," sold for over a million pounds, Banksy posted a video on his website of his artwork when it began to shred itself into pieces in front of everyone . Banksy later revealed that he had secretly installed a shredder inside the frame of the artwork, intending to make a statement about the commercialization of art.
