

Distribution biogéographique des foraminifères planctoniques en Atlantique Nord

Assemblage arctique

N. pachyderma senestre

Assemblages bioclimatiques :

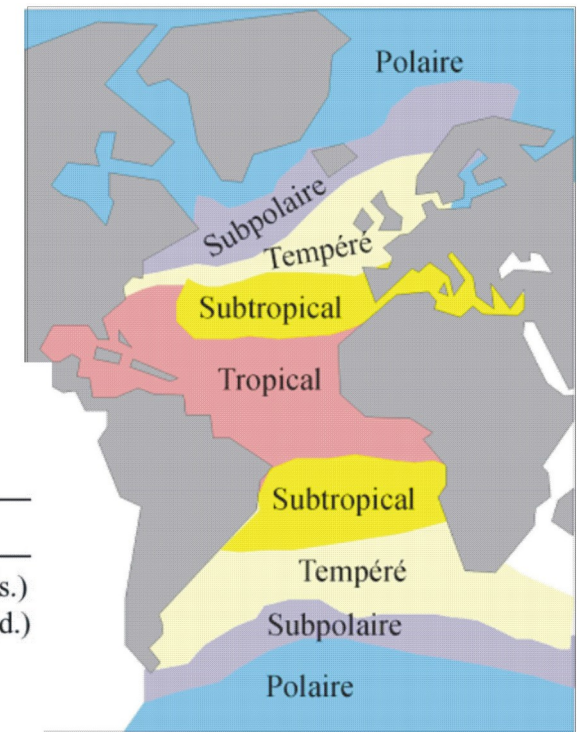

Domaine :

Arctique
Sub-arctique

Espèces :

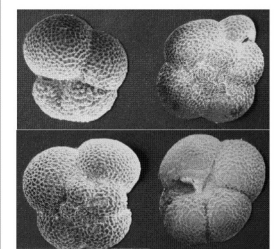

Neogloboquadrina pachyderma (s.)
Neogloboquadrina pachyderma (d.)
Globigerina bulloides
Globigerina quinqueloba
Globigerinoides ruber
Globigerina falconensis

(d'après Bé et Tolerlund, 1971; Imbrie et Kipp, 1971)

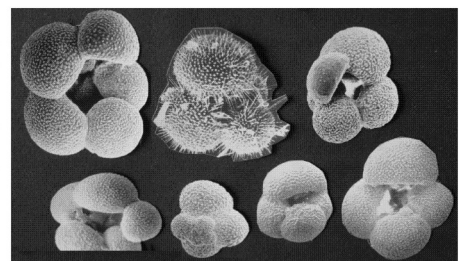

Assemblage sub-arctique

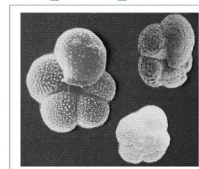

N. pachyderma dextre

G. bulloides

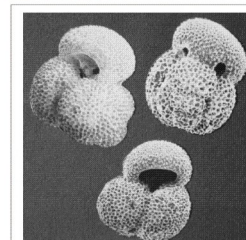

G. quinqueloba

Assemblage sub-tropical

G. ruber

G. falconensis
