Nebula Award–winning author Elizabeth Moon makes a triumphant return to science fiction with a thrilling series featuring Kylara Vatta, the daring hero of her acclaimed Vatta’s War sequence. After nearly a decade away, Nebula Award–winning author Elizabeth Moon makes a triumphant return to science fiction with this installment in a thrilling new series featuring the daring hero of her acclaimed Vatta’s War sequence. Summoned to the home planet of her family’s business empire, space-fleet commander Kylara Vatta is told to expect a hero’s welcome. But instead she is thrown into danger unlike any other she has faced and finds herself isolated, unable to communicate with the outside world, commanding a motley group of unfamiliar troops, and struggling day by day to survive in a deadly environment with sabotaged gear. Only her undeniable talent for command can give her ragtag band a fighting chance. Yet even as Ky leads her team from one crisis to another, her family and friends refuse to give up hope, endeavoring to mount a rescue from halfway around the planet—a task that is complicated as Ky and her supporters find secrets others will kill to protect: a conspiracy infecting both government and military that threatens not only her own group’s survival but her entire home planet. Praise for Elizabeth Moon Trading in Danger “A mix of space opera, military science fiction and human drama, this is an exciting and often touching novel.” — RT Book Reviews Marque and Reprisal “Excellent plotting and characters support the utterly realistic action sequences: swift, jolting, confusing, and merciless. It’s a corker!” — Kirkus Reviews Engaging the Enemy “Moon has created a richly imagined universe of different cultures, replete with intriguing characters and the sense of unlimited possibility that characterizes the most appealing science fiction.” — School Library Journal Command Decision “One of scifi’s best military space series . . . confirms Moon’s place with Lois McMaster Bujold and David Weber in the top tier of turn-of-the-millennium military SF writers.”—Syfy Victory Conditions “Rip-roaring action and intriguing science and tactics distinguish Nebula winner Moon’s fifth and final Vatta’s War installment. . . . A fine and fitting conclusion to Moon’s grand space opera tour de force.” — Publishers Weekly
