

CORRECTION

In this English house, there is a small front garden. The back garden is bigger. Downstairs, on the ground floor, there is a living-room with a large window, a sofa, an armchair, a table and four chairs and two carpets. In the kitchen, there are three large cupboards next to the stove and the fridge is next to the window. In the hall, there is a staircase to go upstairs. On the first floor there are three bedrooms, one for the parents, with a big wardrobe and a double bed, and two for the kids, with a desk, a single bed and a small wardrobe. The bathroom and toilet are on the first floor too.
