

1 A **short** adjective with one syllable (ex: *great*)

Comparative form = adj. + **-er** (+ *than*)

Ex: *great* > *greater* (than ...)

Note:

Double the last consonant letter for very short adjectives:

big > *bigg*er

hot > *hott*er

2 An adjective with 2 syllables ending with -y (ex: *easy*)

Comparative form = adj. + **-ier** (+ *than*)

Ex: *easy* > *easier* (than ...)

3 A **long** adjective with 2/3/4 syllables and NO -y (ex: *interesting*)

Comparative form = **more** + adj. (+ *than*)

Ex: *interesting* > **more** *interesting* (than ...)

4 3 important EXCEPTIONS!

good > **better** (than ...)

bad > **worse** (than ...)

far > **farther / further** (than ...)
